NEW MANASHNI BANNER

Publication Committee ran a contest for MANASHNI Banner. We had a panel of three judges – Avan Bhathena, Darayus Kolah, and Shirin Sarkari. All the entries were sent to them and after conferring with each other they selected the winning entry.

And the winner is … HOMI DAVIER….. At the Navroze/ZAH/ZHCC Anniversary Gala on August 18 the winner was announced and given the award of $100 as was announced. Homi promptly donated his prize money to the Publication Committee who gave to the Legacy Scholarship.

Homi’s explanation for coming up with this banner – “The Houston Skyline draws upon the diversity of our city in general and within the ZAH in particular. It is bright, and vivid with a mix of colors that incorporate the many different locations that our members come from, as well as the varied families that collectively make up the fabric of our vibrant community.”

REPORTS

ZAH Executive Committee

We gathered to celebrate Navroze on Sat Aug 18th but more importantly to also proudly celebrate the 40th Anniversary (actually the 41st) of the founding of the ZAH and the 20th anniversary of our ZHCC which has become almost a second home for many over the years.

We were honored to have 3 of the original 7 signatories to the original ZAH Articles of Association – Sarosh Collector, Kaemerz Dotiwalla and Mehelli Behrana (represented by his wife – Zenobia - as he was unable to attend). Messages from Khurshed Wadia and Maneck Chichgar were read out (the other two signatories who although no longer call Houston home, still maintain close ties to the community); as was a congratulatory note from Homi Gandhi – the FEZANA president. Sarosh, Kaemerz and Zenobia then cut a celebration cake to kick off the festivities.

Various individuals and groups (and there were a lot) were named and recognized for their individual or collective support to make what grew from humble beginnings into what it is today. This has been possible only due to the vision, donations, hard work, and countless hours of dedicated service from these community members, many of whom were not on any committee but worked behind the scenes. Unfortunately, in the interest of time it was not possible to name all of them or their contributions individually.

The Executive Committee of the ZAH would like to express our gratitude and appreciation to all the donors and volunteers for the many years of support and selfless service to our community and for not just keeping the Zarthushti flame alive in Houston, but becoming the standard to which many other Zarathushti Associations aspire to be.

Library Committee Report – by Aban Rustomji

A Place to Be – Featured Author Event: Sohrab Homi Fracis.
Mark your calendars for our next featured program, Friday, October 26th at 6:30 pm. Our invited speaker is award winning author Sohrab Fracis. He will discuss his recent novel, Go Home, which was shortlisted by Stanford University Libraries for the 2018 William Saroyan International Prize for Writing, and brought him the SALA (South Asian Literary Association) Distinguished Achievement Award. This debut novel is a powerful, prescient tale of moving away and longing to belong. The story is about a Parsi foreign student, Viraf, in Delaware caught in the backlash to the Iranian hostage crisis. A fascinating story about a young Asian student unable to distinguish his redneck oppressors from his Deadhead neighbors. A story of a violent world slowly coming together.

Sohrab Homi Fracis is also the first Asian American to win the Iowa Short Fiction Award, for his first book, Ticket to Minto: Stories of India and America. He received the Florida Individual Artist Fellowship. The book reading will be followed by a book signing. Limited copies of the book will be on sale. A potluck dinner is planned.

Although there is no charge for the event, please email Arnavaz Sethna at asethna@comcast.net for a head count as we will provide light refreshments before the potluck dinner. You may also choose to reserve your copy of Go Home for $15.00 each. Email Arnavaz Sethna at ahsethna@yahoo.com

ZAH Youth Group Report
By Zubin Master (ZAH Youth Group President)

In the month of August, the ZAH Youth Group took the time to get accustomed to the new executive board, therefore we had a slow month in terms of activities planned. However, at the Carnival on September 9, the Youth Group sold delicious kabobs and cutlets at our booth.

Also in September, the Youth Group has planned a blood drive during the Ghambar in September 30. Make sure to sign up because 1 donation can save 3 lives! (See attached flyer below). Moreover, in October the Youth Group will have a Farrokh Mistree session about college, and a volunteering event at the Houston Zoo called Zooboo.

MISCELLANEOUS

Zoro Iron Chef at the ZCamp on July 28, 2018

The following is a summary of the 2 hour Food Session organized by Yasmin Medhora at the ZCamp for the 65 kids who participated in this session. ZCamp Core Team had selected six judges for this competition, Firoze Cooper, Malcolm & Naomi Irani, Marc Irani and Darius & Farzeen Khosravian.

The Food session was split into 2 parts:

The First short session was reminiscing what was done in the past 5 years; a short talk on Food Chemistry; Introduction of judges and the Rules of the competition. The teams were asked to take a few minutes to brain storm, share ideas, decide the style of their dish, then get their ingredients from the Market Place and complete their dish in 1 hour.

The second session was the ZAH Master Chef competition for the three age groups of attendees. A “Market Place” was set up with various ingredients like a variety of veggies, spices, condiments, carb accompaniments, decor and all cooking supplies to prepare the various dishes. The Youth group teams prepared a “Chicken” dish. The result was an amazing gastronomic experience. The Middle group prepared a “Shrimp” dish. They were very creative and the result was mouth-watering taste. The little kids assembled very creatively the Cheese Quesadillas; Lemonade Margarita was a big hit; the flavorful Berry dessert was served in scoops!

All teams were judged on their creativity of choice of ingredients, taste, team work and presentation. All judges were very involved with the groups. The young adult judges were amazed at the capability of the enthusiastic kids.

Thanks to the Team Mentors who kept the groups on track – Shezin Bharucha Boomla, Shireen Daruwalla, Rhea Kavina, Zenia Sunavala and Rutton & Anahita Kavasmaneck. Thanks to Vehishta, Khursheed Dastur, Lyla Daroga and their busy volunteers who took care of 25 kids. Thanks to Arzin Italia, Khursheed Hormuzdi and Aban Chhor who manned the Market Place and helped in setup and cleanup along with Persis & Nozer Behramsha, Jasmin Katrak, Nali & Danesh Desai, Rustom & Zia Anklesaria, Zubin Vakil, Mehrukh Ghadiiali and many more who helped in loading and unloading items for this session. A big thank you to Percy Katrak who methodically took all the pictures. Teamwork means a Successful session.

What You Eat and How You Eat Could be Killing You...

and what you can do to stop it!

Let's face it – we love Parsi food, or any food for that matter. However, we are blissfully unaware of (or choose to ignore) the consequences of unhealthy eating habits – heart disease (the number one killer in the US), diabetes, hypertension, high cholesterol etc. Taking his own personal time to do so, Dr. Rasi Wickramasinghe, a prominent cardiologist at Memorial Hermann Center for Advanced Cardiology in Sugar Land, will be speaking on how to reign in this seemingly never-ending cycle we seem to be on – gain weight... diet... gain weight....and diet once again. He will be discussing, among other things, how to shop for food like a cardiologist, what to eat, how to eat, etc., to stay healthy and heart attack-free. He will be addressing specific topics such as:

Is red wine really good for you? Are eggs harmful? How about oatmeal? How/what to order at a restaurant? How/what to eat at a buffet? Which diet program is best.................? Atkins, Nutrisystem, Weight Watchers, etc.? And a host of other myths and misconceptions regarding nutrition and diet.

RASI WICKRAMASINGHE, MD. PHD. FACC, popularly known as Dr. Rasi, is Stanford and Johns Hopkins Educated Comprehensive Heart and Vascular Specialist. He is Board Certified in Internal Medicine, Cardiovascular Medicine, Intervention Cardiology and Echocardiography. His clinical interests are Heart disease prevention, minimally invasive treatment of coronary artery disease, minimally invasive heart valve replacement, heart disease management, etc. He has authored and published over 30 peer reviewed journal articles, abstracts, book chapters and presented at numerous conferences around the world. Besides his impeccable qualifications, Dr. Rasi is a very entertaining speaker, blending humor with knowledge. Originally a native of Sri Lanka, Dr. Wickramasinghe lives in Sugar Land with his wife and two children.
