

***Building Management Sub Committee Annual Report
AGM November 8, 2015***

The BMSC team had some personnel changes. Roshan Engineer after over 10 years of serving on the team decided to resign due to work conflicts. BMSC and ZAH thank you for all your hard work and dedication. Our newest member is Mahrukh Deputy and we are indeed very fortunate to have her. Her very first task, which can be quite daunting to a new comer, was to help in cleaning out the kitchen and organize the pantry. Must say she definitely earned the coveted “broom & dust pan” award.

Through out the year the BMSC team took care of several housekeeping items and listed below are some of them:

- Cleaned and organized the prayer room – thank you middle youth group for pitching in
- Cleaned and organized the kitchen, pantry, storage rooms/closets
- Cleaned and organized the storage container. Thank you youth group & the moms for your help and enthusiasm in getting this done. You all made this unpopular task into a party with cool music and food.
- The flagpole was repaired and our flags are now flying in all their glory; kudos to all that helped.
- The leak in the fountain was fixed and the fountain cleaned. Thank you Aaresh Rustomji for helping us out in this task.
- Many of the damaged ceiling tiles were replaced

We would also like to recognize and thank Mr. Manoucher Khavarian. This gentleman on his own volition and on a regular basis volunteers his time and efforts to clean our prayer room!

Thank you again to all those who have volunteered their time and efforts in helping the BMSC team maintain our very own ZAH Center; without all your help these tasks would have taken longer to do and not to mention would have cost us some money.

BMSC would like to extend an invitation to anyone who would like to join our team. Please feel free to contact any of us.

Thank you,

Fred Bhader
