

Our elected officers of the Youth Group for the 2023-2024 term are:

President – Mahtab B. Dastur

Vice President – Neville Kanga

Secretary – Natasha Kanga

Treasurer – Josephine Irani

Historian – Shireen Anklesaria

We kicked off the year strong, and had a blood drive in October during the Ghambar (ask Neville which ghambar this was), raising nearly twice the amount of blood as last time, saving over 50 lives! Thank you everyone for donating!

During the month of November, we had our annual lock-in in Dallas with ZANT (Zoroastrian Association of North Texas). This time we had over 30 participants, and once again had a blast! We want to say a big thank you to Delnaaz Irani for organizing and coordinating the lock-in, once again!

December was the time for the legendary Youth Group Christmas Party. With over 100 attendees, and enough food, drinks, and prizes for everyone, we received enormous amounts of positive feedback. This event was completely volunteer-run, and not a single cent was spent on the Youth Group's end. So a big thank you to all of you guys! Our Santa this year was Zubin Mistry, and he did an excellent job, so thank you Zubin!

Kicking off the New Year right, our first event of the 2024 year, was a community service project in collaboration with FIRES and the ZAH Library Committee. We cataloged and organized a multitude of books and polished all the artifacts in the glass cabinets in the Library.

Coming up in April we will be having our usual booth at the Carnival. In May we have another community service activity planned, and in June we will be putting on a demonstration of a Parsi Wedding. It will take place on June 9th, either during or after Sunday School; we highly encourage all of you to come watch! Finally, our annual Youth Group fundraiser has been set for July 20th, 2024. Please save the date and come support!
