

Publication Committee Report - 2025

MANASHNI

- ❑ Manashni continues to be published each month and is uploaded to our ZAH website. But alas, as we have said before in our report of previous years, probably more people read it but still the 'open' rate is very low. We have asked before and are asking again, what interests you to know what's going on with the community? Please send your ideas to kbdastur@yahoo.com and ahsethna@yahoo.com. Consider Manashni as a tool to record our ZAH existence. If we do not keep this record, our history will be lost and no one will know about the first generation immigrant visionaries who built this Center and the Atash Kadeh..
- ❑ I think the Library caught the essential points of the past 4 decades in just a few pictures. They say "a picture is worth a thousand words" and the ZAH Library proved it.

EBLASTS

- ❑ Eblasts continue to dominate the ZAH announcements – be they events or 'sad news'.

❑ SOCIAL MEDIA

- ❑ Share your success stories, and volunteer work so we can publicize it on facebook etc.

- ❑ **The Publication team thanks Zarir J. Sethna and Sethna Financial Group LLC for their continued sponsorship of Manashni.**

Thank you.
